

# JOIN US!

**Potato Growers of Michigan, Inc.**  
invites you to join in our legislative  
efforts to ensure an economically viable  
potato industry in Michigan for us all.

Created in 1991, Potato Growers of Michigan, Inc. (PGMI) works to keep the legislature and decision makers in Lansing and Washington, D.C. informed on the needs of the Michigan potato industry. As the key advocate for Michigan potato growers, PGMI members work to ensure that reliable economic data and sound science are the basis for decisions made in Lansing and D.C. that impact growers.

## Membership Opportunities for Growers

### Grower Leader Membership

This membership is open to those individuals who are actively engaged in the production of potatoes. Dues for Sustaining Membership are \$2.50 per acre of potato production. Grower Leader members have full voting privileges.

2026 Dues	Number of Acres	Total Dues (acres x \$2.50)
\$2.50/acre harvested in 2025
